Adoption/Fundraising Events:

This job presents an opportunity for volunteers (s) to help Shelter to Home, Inc. carry out our mission by obtaining the necessary funding. We hold many fundraisers during the year and volunteers are needed to work these events. This would require you to travel to the location where the event is being held, work the hours you have signed up for, and help with setting up and clean up afterwards. This also requires direct interaction with the public and the ability to promote our rescue group. Without fundraisers we would not be able to rescue animals.

Fostering: (Please fill out the foster home application.)

Although fostering takes a great deal of time and commitment, it can be an incredibly rewarding experience. You are temporarily providing a needy animal with a loving home environment and helping that animal become more suitable for adoption into a responsible, lifelong home. Are you ready to give fostering a try? If you are, then please fill out a foster home application today and mail it in to us.

Emergency Foster Care:

Emergency foster care is needed when we feel that we must save an animal that is faced with death, yet there is no room for him at the rescue. In this case, we would let Emergency foster home take in one of the animals we have evaluated already and made ready for adoption. You will not foster any animal that has not been evaluated physically and behaviorally.
